PETITION

Dear Sir:

In response to the attached NOTICE OF INCOMPLETE NONPROVISIONAL
APPLICATION DATED March 21, 2003 Applicant, through her undersigned attorney, respectfully
petitions the Commissioner For Patents to grant Applicant the August 5, 2003 filing date when the
application documents were filed at the USPTO.

The Notice of March 21, 2005 indicates that the application was "deposited without drawings". That statement is incorrect and the Notice was issued in error.

The undersigned attorney personally deposited the Application documents with the United States Postal Service on August 5, 2003 in an Express Mail envelope addressed to the Commissioner for Patents. As indicated by both the attached copy of the Patent Application Transmittal Letter and the Return Receipt postcard which the USPTO stamped with an acknowledgement of the receipt of the listed items, the application documents filed that day included three sheets of drawings. Moreover, the undersigned attorney confirms that he personally included those three sheets of drawing in the documents he submitted.

Thus, it is apparent the three sheets of submitted drawings have become separated from the remaining application documents after receipt by the USPTO and that those drawings are now misplaced or lost by the USPTO. The attached evidence established that the requisite sheets of drawings were submitted on August 5, 2003 and their receipt acknowledged by the USPTO and Applicant therefore respectfully petitions the Commissioner for Patents to grant this application the August 5, 2003 filing date to which it is entitled.

For the convenience of the USPPTO Applicants submits a replacement set of the three sheets of drawings to replace those misplaced or lost by the USPTO.

Attached is a check for the required petition fee of \$400.00. Since the application is entitled to the August 5, 2005 filing date Applicant respectfully requests that this petition fee be refunded to Applicant's undersigned attorney.

Respectfully submitted,

George W. Rauchfuss, Jr., Esq.
